Do you want to contribute to Node.js Core?

- Read CONTRIBUTING.md

github.com/nodejs/node/blob/master/CONTRIBUTING.md

- Install Node from source
- Browse <https://github.com/nodejs/node>
- See you at Code & Learn on Friday morning

```
JS example.mjs
1  import fs from 'fs';
2
3  fs.readFile('./data.txt', (err, data) => {});
4
5  const main = async () => {
6    const myVar = './utils.mjs';
7    const foo = await import(myVar);
8    foo.doStuff();
9  }
10
11  main();
12
13
14
15
16
17
```
